HOW TO PLAY

ADULTS vs. KIDS • Coloring Challenge

1. **Grab your crayons!**
   Markers, crayons or colored pencils all work. Find a timer too (a phone is perfect).

2. **Pick a challenge.**
   Each animal hosts a round: a round page, the rules page, an ADULT page and two KID pages.

3. **Both players color the SAME picture.**
   Follow the rules on the challenge page. Each rule turns coloring into a game!

4. **Judge it together.**
   Who won the round? Write your points on the challenge page and on the Scoreboard.

SCORING

Round winner: 3 points
Other player: 1 point
Tie: 2 points each
Champion Round: DOUBLE!

KID BOOST

Every challenge gives kids a little head start (like grown-ups using their other hand!) so everyone has a real chance to win.
